Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant submits the following references that were cited in a corresponding European Search Report (copy enclosed) in connection with the above-identified application.

A copy of the references together with a listing on Form PTO-1449, is submitted herewith. Applicants note that EP 1 069 468 A1, having a publication date of January 17, 2001 is not effective prior art in the U.S. In addition, the remaining references of EP 1 041 435 A1, EP 1 014 178 A1 and EP 1 026 545 A2, fail to disclose the closed mixing means of instant claim 1, which as demonstrated during the examination of the application results in a superior

product. As such, these references are cumulative with the previously considered prior art and are not believed to be material to patentability. Pursuant to 37 C.F.R. § 1.97(i), please place these references in the application file without consideration.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,
